ANTI-BRIBERY PLEDGE – Bylaws 3(1) (c) (vii)

M/s..... (name of applicant)

Recognises that corruption has a devastating impact on the social and economic development of any country. We share in the growing global consensus that action is needed to strengthen transparency and accountability, particularly in international development, trade and investment.

M/s..... therefore pledges to support the efforts of the Government of the United Republic of Tanzania and to participate, along with the Contractors Registration Board and other members of the business community and financing institutions, in forming a coalition against corruption.

M/s..... welcomes the action taken by the Government to strengthen transparency and accountability. In this context we will:-

- (a) not offer or give any bribes or any other form of inducement to any public official in connection with a pending bid.
- (b) not permit anyone (whether our employee or an independent commission agent) to do so on our behalf.
- (c) make full disclosure in our bids of the beneficiaries of payments relating to the bids to any person other than our employees but including bonus payments which may be made to employees
- (d) formally undertake to issue instructions to all our employees and agents or other representatives in Tanzania directing them at all times to comply with the laws of Tanzania and in particular not to offer or to pay bribes or other form of inducement to officials, whether directly or indirectly.
