## CONTRACTORS STUDY VISIT TO China, 28<sup>th</sup> July – 04<sup>th</sup> August 2019

**The Chinese** construction industry has made its mark on global construction.

Infrastructure development and construction is taking place all around the world but no one can match the largest building site of all – China. China is often described as one large construction site as it uses about half the world's concrete and a third of its steel for its numerous ambitious projects. Chinese enterprises are increasingly positioning themselves in international contracts.

Shanghai is one of only four cities in China to have status of a province rather than a municipality. It has a higher profile and greater access to national funds which attributed to massive investment in infrastructure.

Shanghai is the largest city in China by population, and the second most populous city proper in the world. It is a global financial centre and transport hub, with the world's busiest container port located in the Yangtze River Delta.

The Contractors Registration Board (CRB) in collaboration with AMEC Group China is organizing a one week study visit to Shanghai city in China from **28<sup>th</sup> July to 04<sup>th</sup> August 2019**. The visit is intended to expose Tanzanian Contractors to some of the state of the art construction technologies, best practices and provide opportunities for networking. **The visit is to be self-financed by participants.**

### TOUR WILL INCLUDE:

- Visits to construction plant and equipment suppliers
- Visits to sites in Shanghai to see application of technology, best practices and sharing experiences with other contractors on construction and project management techniques.
- Meetings with Construction Industry professionals, associations and business community to network and identify potential strategic partners.

### REGISTRATION:

Contractors intending to participate in this tour are requested to submit application forms before **5<sup>th</sup> July 2019** and register with the Board at Head Office or the Zonal Offices before **10<sup>th</sup> July 2019** in order to facilitate arrangements for passage. Details and Application Forms are available on [www.crb.go.tz](http://www.crb.go.tz). The visit is limited to 30 participants and shall be on a first come first served basis. Details on the requirements for participation in this study tour are available at [www.crb.go.tz](http://www.crb.go.tz)
